Y 3/4

Supplementary Reading

Students are encouraged to read beyond their normal lesson books & prescribed novels to improve in English. Remember English is 'caught' not only 'taught'. The more you read, the better you are at the language. Reading is a continuous long term activity, so start reading now to be good at English in the future. There are lots of books for young readers in libraries or bookshops.

Student Progress Report

- Student progress reports will be given out on 19 & 22 June.
- Parents are welcomed to discuss children's progress with the principal or staff by making prior appointments.
- Please call to book your appointment earlier. (15 minutes per parent).
