Y 1/2

## Supplementary Reading

Students are encouraged to read beyond their normal lesson books & prescribed novels to improve in English. Remember English is 'caught' not only 'taught'. The more you read, the better you are at the language. Reading is a continuous long term activity, so start reading now to be good at English in the future. There are lots of books for young readers in libraries or bookshops.

## Student Progress Report

- Student progress reports will be given out on 21 June.
- Parents are welcomed to discuss children's progress with the principal or staff by making prior appointments.
- Please call to book your appointment earlier. (15 minutes per parent).
